Sir,

Re grant of Interim relief to the employees of the Bangalore City Municipality

I have the honour to state that the Municipal Commissioner, Bangalore City Municipality, on receipt of G O No Fl 6350-6419 S & A 114-46-2 dated 26-2-47 preferred interim relief bills in respect of the Municipal employees for being admitted in audit. It was pointed out to him that the Government Order dated 26-2-47 does not become automatically applicable to Local Bodies For, as per Article 5 of the Municipal Accounts Manual, no expenditure should be finally charged against the Municipal Fund without its being accepted by the Municipal Council At the time of presentation of the bills for audit, the Municipal Council had no oppurtunity of discussing this subject and passing a resolution in this behalf It was therefore suggested to the Municipal Commissioner that he might obtain the Council resolution to enable audit to pass the bills as a special case pending sanction of Government But the Municipal Commissioner pleaded that as the Municipal employees were greatly discontented at not having received the interim relief just as other Government servants, it was quite necessary to make the payment in the shape of one month's bonus in anticipation of sanction of the Municipal Council as well as Government. He has assumed full responsibility for getting the resolution duly passed by the Municipal Council and also for getting Government sanction thereto On this assurance given by the Municipal Commissioner, I have authorised the preaudit staff attached to the Bangalore City Municipality to admit the bills in audit This fact is reported for the kind information of Government
